Vocals: Four vocal inputs. We will provide our own mic stands and microphones. Guitar players use Sennheiser E945s and bass and drummer use Shure SM58s.

Guitars: Stage right guitar uses a Line 6 Helix direct to the board via one XLR. Center guitar uses a pedal amp direct to the board via one XLR. Stage right guitar uses two power supplies. Center guitar uses one power supply.

Bass: Sans amp DI direct to board with one XLR.

Drums: Drum mics depend on venue preference. We typically mic the kick, snare, and two overheads.

Monitors: Four wedge monitors.
